

If you're a parent, you know how tough it is to raise kids ... especially during the turbulent teen years! Featuring Mark Gregston and host Wayne Shepherd, these weekly and daily programs provide sound biblical solutions to help moms and dads get through difficult child-rearing issues. Both programs are a production of Heartlight Ministries, and are offered on a sustaining basis.

**Yes, I'd like to air *Parenting Today's Teens* on my station!**
