

Our Daily Bread
Audio

Our Daily Bread Direct Response Spots are creative radio spots designed to encourage listeners to engage in the Bible on a daily basis, and share the various ways that *Our Daily Bread* is available for Bible study help. Audio files are sent to stations on a quarterly basis on CD. Each CD contains three 60-second spots, two 30-second spots, and one 15-second liner. Stations are invited to rotate the spots throughout the quarter on an ROS basis.
