Dear Ministry Partner,

This December, Pastor Chuck Swindoll invites families in your community to **slow down and reflect on the miracle of the manger** in timeless Christmas programming presented on *Insight for Living*.

Most followers of Christ are well acquainted with the Christmas story... Mary and Joseph receive the news of Jesus' coming, the wise men follow a star, and baby Jesus lies humbly in a manger surrounded by animals and hay.

It's an inspiring story—even for the unbeliever—but too often we grow so familiar with the account that **we lose our sense of awe and wonder in the miracle of Christ's birth.**

At Christmas we celebrate what occurred one quiet night in Bethlehem ... but **the miracle that took place that night changed the course of humanity forever.**

This December on *Insight for Living*, your listeners will witness the wonder of the season anew as Chuck Swindoll provides a fresh glimpse into the **real-life events** that took place surrounding Jesus' birth and the **groundbreaking promises** that followed for all who believe.

“In Bethlehem, God came down to live in this troubled world with us. Because He did, today, each of us can know Emmanuel personally. Not one of us has to make it through life alone or hopeless. No matter what befalls us, the King is coming again.”

—Charles R. Swindoll

As the holidays quickly approach, we can't help but reflect on all the ways God has blessed this ministry... and stations like yours are one of our most cherished gifts!

Thank you for partnering with *Insight for Living* in **heralding the good news of Jesus to the world this Thanksgiving and Christmas.**

Sincerely,

Your Media Services Team
Roger Kemp and Company

Classic Series

On-Air Dates:

October 25, 2017 – February 22, 2018

Product Description:

What does it take to be “the friend of God” (James 2:23)?

Like us, Abraham lived in a world at enmity with God. But when told to go, he went. When promised, he believed. When commanded, he obeyed. Abraham wasn't called “the friend of God” because of his intellect, his pedigree, or his fortune. *Abraham was called God's friend because of his*

faith.

Through Abraham's life of faith, you'll be challenged to answer life-changing questions such as:

- Is God calling me to do something radical?
- Which of God's promises apply to me?
- How can I lead my family in a godless world?

As you witness a weak man's transformation into a hero of faith, you'll learn what it takes to be “the friend of God.”

God Knows What He's About

Product:

CD Series

On-Air Dates:

December 14-26, 2017; January 4-11, 2018

Product Description:

When we consider the vastness of the universe, much less the seven billion souls inhabiting our planet, we can struggle to believe that God cares about our circumstances.

And yet . . . God guided the wayward prophet Jonah from Tarshish to Nineveh through a storm and a great fish. God introduced the world to His Son in a meager animal stall, through a small-town girl and a humble man who believed the impossible. God transformed a terrorist to Christians into the incomparable apostle Paul.

We can trust that God knows us, and His plans are woven in the fabric of our everyday lives. Listen and learn that even when we wonder and doubt, God knows what He's about.
