Dear Station Partner,

To believe in grace is one thing, but to *live* grace is quite another. God's amazing grace has the power to **release us from everyday pressures, so we can live in the freedom Christ provides.**

This February on *Insight for Living*, Chuck Swindoll is exhorting listeners to **live in the spiritual abundance of God's grace** by bringing back his classic, yet revamped, series, ***Grace Awakening***.

Before kicking off this transformative series, Chuck is sitting down with **Terry Boyle**, pastor for *Insight for Living* in the United Kingdom for an engaging conversation about "Searching the Scriptures."

Terry will remind us of the staggering reality that **every believer has direct access to God through His perfect Word**. We don't need to wait for a pastor or biblical scholar to feed our spiritual appetites...

"It isn't code talk among a few that know Latin, Greek or Hebrew . . . No, it isn't that at all. You can do this. It takes convincing to break through for some people to think, "I don't have to always go and wait for what my pastor has to teach me."

—Terry Boyle, *Insight for Living* U.K.

As a reminder, **this interview is not a fundraising program**. Through this interview, it's our prayer that your audience will discover the richness of scripture and feel empowered to dive into its truth headfirst.

Busy filling your schedule for this year's **National Religious Broadcasters Convention**? We sure are! **Contact our Media Services team to request a meeting** with representatives from *Insight for Living*.

As we head into a new month of fresh programming, we are grateful for dedicated station partners like *you* who act as **ambassadors for the ministry in your community**.

Thank you for **making an eternal impact on your listeners** by partnering with *Insight for Living*.

Sincerely,

RKC Media Services

Your Media Services Team
