Dear Station Partner,

Have you ever experienced a moment where God gave you a **tangible invitation to say, “yes” to Him?**

Well, Chuck Swindoll’s biggest “yes” moment happened in 1958 while he was serving as a U.S. Marine on the Japanese Island of Okinawa.

Chuck was spending some spare time ministering to the local people on the back of a flatbed truck alongside his mentor Bob Newkirk, who asked him if he wanted to deliver a message to those who had gathered. As you probably guessed, **without hesitation, Chuck said “yes!”**

Later that night Chuck prayed...

“Lord, could it be that *this* is what you want me to do for the rest of my life?”

Flash-forward to today and *Insight or Living* is getting ready to celebrate **40 years of ministry** and **Chuck’s 56th year of preaching** ...all because of one simple act of obedience!

All this to say, we wanted to pause for a moment and say **thank you for affirming Chuck’s “yes”** through your partnership with *Insight for Living*.

By now, you and your station staff are likely checking off your final “to-dos” before heading out for a long Christmas weekend. But before you go, we wanted to wish you, your family and your staff a blessed and joyous Christmas on behalf of Chuck Swindoll and the entire *Insight for Living* team.

We look forward to all that God will do through this ministry and through *your* station in the New Year.

Sincerely,

RKC Media Services

Searching the Scriptures: Find the Nourishment Your Soul Needs

Are You Getting the Spiritual Nourishment You Need? We all know what it's like to eat an unbalanced diet or consume too many sweets or skip a meal altogether. Invariably, we endure any number of consequences as a result. We feel sick or light headed, or we may become irritated, edgy, and even depressed. This is the body's way of letting us know that it's lacking sufficient nourishment. Optimal health requires optimal nutrition. The same is true when it comes to spiritual matters. Without sufficient and regular biblical nutrition, our inner lives begin to suffer the consequences. When we fail to set aside time to digest healthy spiritual food, we become shallow and selfish, more demanding, and less gentle. We react impatiently, rashly, and angrily. These are telltale signs of inner malnutrition.

In *Searching the Scriptures*, respected Bible teacher Chuck Swindoll shows us how to dig deep into Scripture and uncover its profound truths for our lives. He outlines the principles of Bible study that will help you understand God's Word, apply it, and communicate it clearly to those around you. Too many people try to go it alone, without a guide for this life and the next. Chuck explains how we can fix our own biblical meals, and then he invites us to feast on the nourishing truths we have discovered and prepared from God's Word.

WEEKEND OF JANUARY 26, 2019 – “GROW YOUR GIFTS”

“It’s time for a spiritual workout!” This week on Paws & Tales, C.J. and Gooz, each in their own way, try to use the gifts that God has given them. But when they meet some unexpected failures, they both vow to give up and never use them again! Tune in (Saturday/Sunday/Today) to find out how a little “gift exercise” will keep you spiritually strong. That’s Paws & Tales at (time: ____), right here on (station: ____)!
