

October 20, 2017

Dear Ministry Partner,

Chuck Swindoll has devoted his life to the accurate, practical teaching and application of God's Word and His grace. Anyone who's met Chuck knows he's a pastor at heart.

And while the ministry efforts of *Insight for Living* reach far beyond his home pulpit at Stonebriar Community Church in Frisco, Texas, **Chuck's role as a pastor, and belief in the work of the church, remains his primary focus.**

This October, on the daily *Insight for Living* broadcast, Pastor Chuck Swindoll reminds listeners that God designed His church to be a reliable refuge and beacon of hope to all who are suffering.

**What better time for the church to be a refuge from the storm than now?**

In the wake of hurricanes Harvey and Irma, we pray that all who were impacted in the recent storms would find **hope** through this month's teaching—and that those who watched from the outside, would be **compelled into service and prayer.**

Chuck, who grew up in Houston himself, recorded a special message for the stations and listeners in the impacted areas of Hurricane Harvey last week. His message included this prayer...

***"May our God strengthen and hold you close to Himself as you endure this time of testing, dear friends."  
— Chuck Swindoll***

Though this message was an immediate response to hurricane Harvey, **our prayers go out to every city, state, station and individual who was impacted by the recent storms.** We will continue to lift you up in the coming days.

It is a true privilege to serve alongside each of our station partners—especially in times like these. **Thank you for all you do in support of *Insight for Living!***

Sincerely,

*RKC Media Services*

Your Media Services Team

Looks can be deceiving on the next Paws & Tales! Tune in (Saturday/Sunday/today) at (time:\_\_\_\_) when C.J. helps Saint Merrion realize she has a lot to learn about the world she hopes to witness to. That's Paws & Tales right here on (station:\_\_\_\_)!

That's on the next PAWS & TALES this weekend on (station:\_\_\_\_)!
